

School Lunch Policies

At Regina Coeli Catholic School we use a preorder account system for our hot lunch program. All school lunches need to be ordered through **Option C** before midnight on the 28th of the month prior. If lunches are not ordered by the deadline students should bring a packed lunch from home. School lunch payments are also made online through Option C. You can prepay by adding money to your students account at the time of ordering, which is the preferred method. You can also make payments weekly as they incur a debt. Account balances along with account ledger can be found on Option C. If your student(s) account becomes delinquent and carries a negative balance of \$50.00 or more, your student will no longer receive a hot lunch until the account balance is paid in full. If you have any questions or issues regarding Option C please reach out to the school office.
