From Mrs. Radwanski

Well, it looks like Fall is arriving right on schedule. Love that Ohio weather! Just a little reminder to pay attention to the weather forecasts during this change of seasons and make sure your child has a jacket or sweatshirt during this rather abrupt change in the weather.

This Friday, the last Friday of September, will be a school Spirit Day. The theme is summer fun. Students may wear their favorite summer t-shirt with jeans or appropriate length shorts. No tank tops or spaghetti straps! Students may wear jeans or athletic pants if they have gym on Friday. Absolutely no leggings, or rips tears in jeans. Jeans must fit appropriately (nothing too tight), no legging style jeans.

Mrs. Radwanski

Picture day is coming! Picture day is Tuesday, October 5, 2021. We have a new photographer this year! Josten's is our new company for school pictures! No forms, no paperwork! Please see the attached flyer for this year's picture day! This will be a Dress-Up Day for students, not a uniform day. We will not be taking Spring pictures this year, so we are allowing students an out of uniform **dress-up day**.

Jeans are not permitted for picture day. Dresses/skirts are acceptable for girls. No spaghetti straps or tank tops are permitted. A sweater may be worn to cover shoulders. Boys shirts do not have to have a collar, but they need to be free of distracting words or slogans.

Technology fees are due next week. Students are not allowed to take home devices until these fees are paid. These devices are not strictly for Remote Learning. Devices may be used for assignments and homework at the teacher's discretion, so it is important that these fees are paid.

Important!

Ed Choice Scholarship recipients please see the attached documents regarding the deposit of Ed Choice checks.

From Mrs. Radwanski

We have made it successfully through our first week of school. I hope you all enjoyed the long holiday weekend.

This week we begin MAP testing. 2 to 3 times per year all students are tested over Reading and Math to measure progress and growth throughout the year. This testing does not affect a student's grades, but it is an important tool for teachers to use during the year.

Thank you to everyone who remembered to send masks in with your children this week. We have a few masks available at school for student use, however our supply is very limited. Please remember to send a mask daily with your student.

It seems very appropriate that we celebrated our first all school Mass on the Feast of the Nativity of Mary, our Patron and namesake of our school. We are overjoyed to be able to celebrate together. Mary, Queen of Heaven, pray for us!

If you have prayer intentions you would like to share with us, please send a message to the school office and we will publish them in the newsletter. Today we pray for Mrs. Jarvis's husband Keith, who had surgery recently and is at home recovering.

Early Morning Drop-Off

Please remember that Early Drop-Off does not start this year until 7:15. There is no supervision available until this time, so please do not drop students off early. Regular drop-off time begins at 7:25.

Thank you!

Primary Election Day at Regina Coeli

As most of you are aware, Regina Coeli is a polling location. There will be a primary election held on Sept. 14th. Please use extra caution when dropping off students in the church lot. Please drop them off as close to the sidewalk as possible. In addition, students will be eating lunch in the classrooms today.

Plan Ahead!
